## PUZZLE TIME

God made human beings. To find out how God made us,  
color all the boxes with only ONE dot inside.

## God created people.

Read the story in Genesis 2.

After God had created the animals, He said, "Let us make man in our image". This means that people were made like God in many ways. One of the ways in which all people are like God, is that God gives them a soul which will never die. God is eternal. He will never die. So too, people have been given souls which will never die. Their soul will live forever, even after their body dies. God wants us to live for ever with Him in Heaven. This is why He sent His Son, the Lord Jesus; so that our sins could be washed away, and we could live forever with Him in Heaven. For those who choose not to trust in the Lord Jesus Christ, their souls will still live forever, but in Hell, which is an awful outcome.

The first man was called Adam. God asked Adam to name all the creatures of the earth. Can you imagine having to think up names for every single creature on earth? Adam must have been a very clever person!

After He had done this, God made Adam fall into a deep sleep and took a rib from His side. From this, He made Eve, the first woman in all of Creation. How strange it must have been for Adam to fall fast asleep, then waken up and see a new creature, woman, who was very different from all the rest! He must have looked at Eve in amazement! God named her, 'woman', which means 'out of man'. God also gave her a living soul, made in God's image.

Our soul is a strange thing. We can't see it, or feel it, but it is really who we are, deep down inside. Everyone has a soul, and the Bible tells us that our souls are searching after God. We have an awareness of God, and God has placed this special awareness inside us, so that we search for Him, and find Him, through trusting His Son. Have you found Him?
